### Merit exemplar 2016

Sub	Subject: Accounting		Standard:	91176	Total score:	18	
Q	-	rade core	Annotation				
1	ſ	W6	To get to Excellence the candidate needs to subtract the doubtful debts from the other administrative expenses and correctly calculate the depreciation on delivery vans, \$2 800, as both adjustments involve complex additional information.				
2		E7	The candidate demonstrates Excellence but to earn E8 they need to know which accounts to close. I.e. Accrued Income should not be closed.				
3	M5 This answer demonstrates that some of the detailed additional information w correctly reported (Accounts payable, all current liabilities there and Depreciation on computers). To earn a higher Merit grade all of the Addition and Disposals need to be reported and the profit for year figure needs to be amount that sees net assets equal to equity.			ditions
