#### Guidelines for applying the Assessment Schedule

- The answer space provided in the exam paper is NOT an indication of the word-count required. The candidate may exceed the lines provided, or respond succinctly using fewer lines. For Merit/Excellence, however, the candidate needs to analyse, usually beyond a brief statement.
- The evidence in this Assessment Schedule offers one example of the skill required to achieve at each level. Each response must be marked for skills displayed, and not for accuracy of content knowledge or agreement with expert interpretations of the texts.
