INSTRUCTIONS

Read the **Introduction** in the resource booklet before analysing **Sources A–H**. The introduction will provide a context for your examination of the sources.

You may wish to identify, highlight, or annotate aspects of the sources in the resource booklet. However, this will not be assessed.

In your answers, you should (where appropriate):

- go beyond the immediately obvious information in the sources, in order to draw conclusions
- note relevant question(s) that the sources might raise in a historian’s mind, that may be investigated further
- consider who created the source, and for what purpose.

QUESTION ONE

With reference to **Sources A–E**, examine the range of factors that led New Zealand governments to provide housing for their citizens.
