NOTE:

As per the Achievement Standard Explanatory Note 5, an 'event' may be discrete, a development or movement over time, or be considered in terms of a person's role.

While accuracy in evidence is desirable (e.g. dates, figures, statistics, quotes, names), this Achievement Standard is not assessing recall of specific details. Candidates should not be penalised at any grade level unless lack of accuracy detracts from the essay.

As per the Assessment Specifications, a conventional essay structure is required for this Achievement Standard. Essay structure should be considered in the allocation of the final grade, for example whether it enhances or detracts from the clear communication of the background of events and the effects on New Zealanders.
