## **QUESTION THREE: Poor Investment Decision Arising From External Factors**

ASSESSOR'S USE ONLY

Use the information in Resource F and Resource G, and in the box below, in addition to your business knowledge, to answer this question.

In 2010, *LNT* made the strategic decision to build a car GPS manufacturing plant in New Zealand. The firm had signed an export contract with a South Korean car manufacturer to supply their products to be installed in all new cars by mid-2012. The investment was funded by borrowing \$120 million from banks in Europe. With hindsight, *LNT* may not have made these borrowing and investment decisions if they had been fully aware of external factors occurring around this time.
